

	AFAQ Engineering for Building Contracting	Date: <b>05 Jan 2026</b>	
	<b>ENVIRONMENTAL POLICY</b>	Document Ref. No.: <b>AFAQ-POL-EMS-003</b>	
		Rev. No. <b>00</b>	Page 1 of 1

AFAQ Engineering for Building Contracting L.L.C acknowledges its responsibility to protect the environment and is committed to minimizing the environmental impact of its activities related to Building Contracting, Maintenance, Decoration Works, and Cleaning Services.

Environmental protection is integrated into the Company's business processes and decision-making to support sustainable development.

**Accordingly, AFAQ Engineering for Building Contracting L.L.C is committed to:**

- **Protecting the environment**, including the prevention of pollution and reduction of adverse environmental impacts arising from Company activities.
- **Identifying and controlling environmental aspects and impacts**, including waste generation, resource consumption, emissions, and noise.
- **Complying with all applicable environmental legal and regulatory requirements** and other obligations relevant to the Company's operations.
- **Promoting efficient use of natural resources**, including energy, water, and materials.
- **Implementing effective waste management practices**, including waste reduction, reuse, recycling, and proper disposal.
- **Encouraging environmentally responsible behavior** among employees, subcontractors, and suppliers through awareness and training.
- **Establishing, implementing, and maintaining an effective Environmental Management System (EMS)** in accordance with ISO 14001 requirements.
- **Setting, monitoring, and reviewing environmental objectives and targets** to drive continual improvement in environmental performance.
- **Continually improving the EMS** to enhance environmental performance and sustainability outcomes.

This policy shall be communicated, understood, and applied at all levels of the organization and shall be made available to relevant interested parties.

The policy shall be reviewed during the Management Review Meeting at least annually, and updated as necessary to ensure its continued suitability, adequacy, and effectiveness.
